

Sitting In the Mud Together

As people, we are often tempted to sit in judgment of others and see some people as more worthy than others. It is helpful at these times, where we judge ourselves or others negatively to remember that all of us fall short of who God would have us be. At the same time, we see all people as special and loved parts of God's creation. In reality, we all sit in the mud together, equally loved by a God who died to lift us up and wash us clean, free to make best use of our gifts for the good of others.

Our response to this is to act with compassion. To respond to the need we see in those around us. We respect the dignity of others as unique parts of God's creation and walk forward together. As we celebrate Pacific As a Peace Place and Harmony Day this Friday, we see, celebrate and respect the full humanity of those around us. We graciously step up and encourage others to do the same.

Principal's Log

There was quite a buzz of expectancy as students and families gathered to sit the academic scholarship tests last weekend. Students worked well through the various tasks and sat and talked together at morning tea even though many were from different schools. We expect results of all scholarships to be processed by the start of Term 2 and wish those students undertaking the music scholarships this weekend all the best. We thank Ms Arahill for her leadership of the academic scholarships and Mrs Tuaine, Miss Morton and Mr King for the leadership of the music scholarships.

We welcome Mr Damien Johns as the new Sport Aide. Mr Parrish MacLeod will be continuing in his role of Sport Development Aide until the middle of the year. The teachers of sport and physical education are already very appreciative of the additional support that Mr Johns has provided in his short time at the college. We will formally recognise the very significant contribution that Mr MacLeod has made to the growth of sport in the college later in the year.

Congratulation goes to Sam Fleming who has been selected as part of the college's partnership program with West Ham United to go to the United Kingdom to attend the West Ham United Academy in London in April 2014. Sam attended the player identification camps at Pacific and was then invited to be

one of 220 students to attend the National Camp in Canberra. He now joins 10 other students to go to the United Kingdom. Well done, Sam!

As we celebrate Pacific As a Peace Place on Friday, we celebrate the richness and diversity of humanity and the graciousness of a God who walks gently beside us in the times of both joy and sorrow.

Dr Bronwyn Dolling, Principal

Daily Bread

What is Heaven Like?

Some ancient religions talked about heaven as a place where there would be a final battle between good and evil. Some modern people describe Heaven as a place of eternal quiet with angels and clouds.

I think the Bible is telling us that Heaven is a party.

I get this image from a famous story that Jesus told which is recorded in Luke's Gospel. This story is commonly known as the "Prodigal Son." In this story, Jesus talks about a son who

sells up the family farm and leaves. He throws away his inheritance and then from a place of remorse, he returns home expecting to be a slave. He returns to the place where he knew he was once loved.

But instead of meeting anger or resentment, his father runs and embraces his beloved son. Then the father throws a party to celebrate the return of the 'prodigal'.

This story is about God's heart. God seeks to forgive our sin and embrace us. God seeks to restore us and celebrate with us, giving us a fresh start.

Heaven is about being welcomed into God's eternal arms like the prodigal son was welcomed by his father. Since the next part of the story is about celebration, we could assume that Heaven would also be a celebration.

When we fall, we call to God to help us. God picks us up and sets us on a new path. God celebrates with us at places of new beginning. The world may shame or mock me when I fail but God does not stop loving me.

Pastor Paul Smith, College Pastor

From the Head of Senior School Students

'Pacific As A Peace Place' - National Day of Action Against Bullying

Usually, young people slowly grow with their resistance skills. When we express opinions and receive positive feedback, rather than negative comments, we usually grow in confidence and especially in the ability to resist put downs.

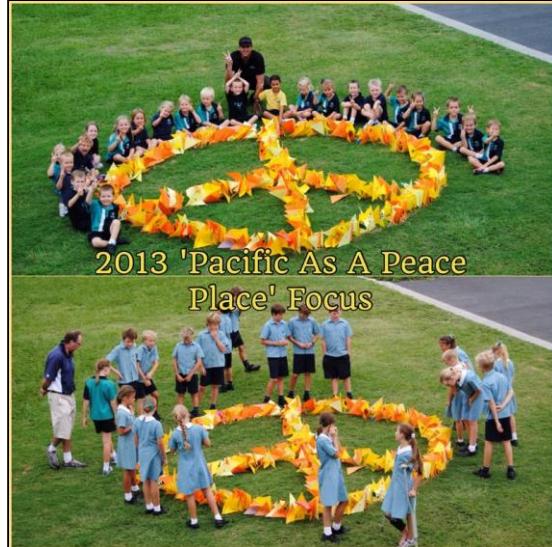

In a world of expectations and demands, a young person needs to learn "commonly proven" resistance skills, such as: walking away from the person, tell them to 'stop', calmly saying 'no', calling someone nearby to help/seek support, speaking with the person or telling a teacher.

These skills can be refined throughout school years, to be ready for those times when there maybe pressures to force a young adult to choose actions or words that they normally would not. Also, refining such skills helps people to move forward when they are confronted with disappointment.

On Friday, 21st March we will have a whole college focus on 'Pacific as a Peace Place' in recognition of the National Day of Action Against Bullying.

We are one of many schools across Australia who are recognising this day. Last year, we were able to have classes

and Pastoral Care Groups participate in putting together a peace sign with messages.

The Year 7 Student Leadership Team and the Year 12 College Leadership Team with Mrs Leah Croke have organised an activity for all classes and Pastoral Care Groups to be involved in.

This will involve a devotional reflection, followed by making / writing reflections on a paper flower. Following this, student leaders (Year 7 and Year 12), are going to be working together to arrange these flowers into a 'Peace' garden in the front area of the college.

Throughout the day, classes have the opportunity to visit the garden and reflect on the student responses that have been written about 'Pacific as a Peace Place'.

This year, both the National Day of Action and Harmony Day are on Friday, 21st March. This is a great opportunity for links to be made between the Harmony Day theme too (*Everybody Belongs*).

Each one of us can 'take a stand together' to make 'Pacific a Peace Place', through 'Care, Dignity and Respect' of others, property and self!

Digital Citizenship

Electronic communication presents wonderful connections between people but can also be used inappropriately and cause harm.

This term, an important focus at Senior College assemblies was to raise the awareness of Cybersafety and how students can use technology to create positive connections.

Below are two references to online links for parents / guardians regarding Cybersafety:

- The National Cybersafety Education Program managed by the Australian Communications and Media Authority (the ACMA) at <http://www.cybersmart.gov.au/Parents.aspx>. This website is part of the Australian Government's commitment to promoting online safety for children and young people.
- The *ThinkUKnow* website at <http://www.thinkuknow.org.au/site/index.asp>. *ThinkUKnow* was developed in the UK by the Child Exploitation Online Protection (CEOP) Centre to raise awareness of internet safety and security issues, particularly those which confront young people. The Australian Federal Police (AFP) and Microsoft Australia have joined together to deliver the Australian *ThinkUKnow* program.

I would encourage parents / guardians to take the time to view these links as they provide quality information to enrich understanding about how children and young people use the internet, the risks they face and strategies to manage risks at home.

Miss Kim Stone, Head of Senior School Students

Reflection from College Student Leadership Team

At the last full assembly, we showed this clip http://www.youtube.com/watch?v=D_Vg4uyYwEk. This is from Rocky Balboa. In reflection, there are many speed bumps and obstacles that you will face in life. There are many challenges and also times that are tough and stressful. However, it is the attitudes and qualities that each person has, that lead them to overcome such events in life.

The clip of Rocky Balboa, shows us how we need to stand for what we believe is right, be passionate and courageous to go on and tackle the challenges and difficulties that come our way, each day and in different parts of our lives. It is how we make the most of what is put in front us and the attempts to bring us down, that will only make an individual stronger.

We have specifically chosen this clip, as students lead into the exam period and the busiest period of the first term. We hope that everyone can take something from Rocky: to be inspired and inspire those around you as you face familiar and unfamiliar challenges every day.

Remember, it is not about how hard life is, it is about how one goes about working through, overcoming or bouncing back from a tough situation.

Danyon Bell, 2014, Vice-College Captain.

There are so many amazing creative pursuits you can do on a computer besides just homework, checking social media and watching YouTube!

Mrs Sue Zweck, Head of Teaching and Learning ELC-Year 5

From the Head of Staff and Students P - 5

On Wednesday, the college (with the support of the Sunshine Coast Council) participated in National Ride to School Day. Thanks to the many parents who took the time on the day to ride to school with their children. Designed to encourage students and parents to travel to school in modes more environmentally friendly and health benefitting, the day was a great success.

Parent Teacher Conferences

Research continues to recognise the important role that parental support plays in creating an environment in which children can achieve their academic potential. Next week parent teacher conferences will be held for P-5 students. The conferences provide an ideal opportunity for parents, teachers and students to discuss each child's progression and development. I would encourage parents to attend these conferences as an important element in each child's academic development.

Communication with Staff

Often parents need to communicate information to their child's teachers regarding changes of routine (such as how and with whom a child is travelling home, attendance at appointments or attendance at After School Hours Care) and exemption from participation in sport, specialist lessons or activities due to injury or illness.

To avoid confusion and to ensure students are where they are meant to be particularly at the end of the day, I would ask that parents put all of these changes in writing. There are a number of ways parents can communicate with staff.

All teachers can be contacted by e-mail. Teachers in Prep - Year 2 classes can also be contacted through communication

books which parents can write in, informing teachers of changes to routines. Thirdly, a short note can be sent with students advising teachers of changes in routines or of their inability to participate in activities.

I appreciate your support in assisting teachers in ensuring the well-being of all students in regard to their travel arrangements, attendance at appointments and their appropriate levels of involvement in sport, specialist lessons or activities.

Mr David Druery, Head of Staff and Students P-5

Students of the Week

Stars of the Week - This Week Monday, 10th March

Prep	Zaice McLachlan Sarah Barrett	Jaxon Perrin Isabella Cooper
Year 1	Megan Atkinson	Ella Nolan
Year 2	Jett Forman	Paige Carter
	Romeo Paora	Indy Suseno
Year 3	Mia Salta	Hanna Meager
	Katie Graves	
Year 4	Erika Christensen Sophie Wilkinson	Amy Aitken
Year 5	Alex Papallo	Chloe Fleming

	Georgie Jones	Hayley Young

You Can Do It Awards

This Week Monday, 10th March

Confidence: Hunter Smith and Hayden Greenough

Persistence: Ruby Davis and Marcus Phythian

Organisation: Danny Howard and Lily Daniel

Getting Along: Paige Whincop, Jayden Fioraso, Alice Hindmarsh and Hobie Barry.

Resilience: Ryan Schimmel

Other Awards

Mathletics

Congratulations to the following recipients:

Silver	Dafydd Thomas
Bronze	Ellie Dixon, Eliza Woods, Kye Evans

Study Ladder

Congratulations to the following recipients:

Silver	Matthew Timperley, William Allen, Abby Pukallus, Ella Wildman and Jayda Lowe.
Bronze	Samatha Holt, Larissa Lynch, Jae Flynn and Campbell Gigney.

Food for Thought

Parents on Smartphones Often Ignore Kids

A study has found that adults absorbed in their mobile devices were more likely to harshly scold their children's behavior. This study also found caregivers who were highly absorbed in their devices seemed to have more negative or less engaged interactions with their children. It is well known from decades of research that face-to-face interactions are important for cognitive, language and emotional development.

<http://www.hanen.org/Helpful-Info/Our-Views-on-the-News/Facebook-vs-Face-to-Face--How-Technology-Threatens.aspx>

Mrs Annie Williams, School Counsellor

Friends of Pacific

It was a very productive and well attended Friends of Pacific meeting this week. Thanks to all those who came along.

Update for the Month of February

Friends of Pacific had a month of planning with meetings being held for both the Golf Day and OCEANFest.

We were also represented at the Strategic Planning Day, which was an honour to attend and to be part of the thought process going forward over the next few years.

The ELC and Kindy also had their information evening which we had representatives attend and formally invite / welcome the families to be part of our community.

Meeting for Tuesday, 18th February

Firstly and very importantly we acknowledged and gave thanks for our friendship with Mrs Sara McLeod and for the contribution and impact she made on Friends of Pacific and the wider community.

Collectively as a group, we were able to finalise a "slogan" for Friends of Pacific being, *Connecting College and Community*.

We felt it important to revisit the main focus for Friends of Pacific. It is about connecting both with others in the direct college community and reaching out to the wider community with events such as OCEANFest.

Some families have received a questionnaire via email regarding OCEANFest2014. It can be completed online and submitted.

I believe there may have been a technical issue and not all families received it. So if you receive it again, it is due to the fact we are unsure of who did and did not receive it. We appreciate any response given. Thank you!

Lastly, the Golf Day information is coming out over the next few days so please keep a look out and get your nominations in quickly!

The next Friends of Pacific meeting is not until Tuesday, 20th May. No meeting in April due to holidays.

Please feel free to contact us on fop@pacluth.qld.edu.au. Agenda items / questions can always be added to the agenda for the following meeting and, if you are unable to attend, we will always let you know of the outcome of your query.

Mrs Tracey Hindmarsh, (Chairperson, Friends of Pacific)

Food Allergy Management at Pacific Lutheran College

Currently we have 19 students attending Pacific with life threatening allergies. The most common being peanuts, tree nuts, eggs, dairy, fish and shell fish. They can also be associated with bee stings and certain medications.

Allergic reactions can be so severe that they may be life threatening and PROMPT EMERGENCY TREATMENT IS REQUIRED.

We aim to work in partnership with families to provide a safe environment for children with food challenges through education and awareness.

We follow the Australasian Society of Clinical Immunology and Allergy (ASCIA) researched guidelines for avoiding food anaphylaxis in schools. These guidelines have been developed by specialists in NZ and Australia with the child in mind as some of these allergies will be life-long.

There are some key strategies that will minimise the risk of accidental ingestion of food allergens listed below. For school age children with an allergy, an essential step is to develop strategies for avoidance in the wider community as well as at school.

Measures Taken to Ensure Safe Eating Practices for Food Allergic Children

- Clear labelling on lunch boxes, eating utensils and drink bottles.
- No trading or sharing of food, drink bottles or eating utensils.
- Children with food allergies eat lunches and snacks that have been prepared at home or provided by parents as appropriate foods.
- All children wash and dry hands after eating.
- We ask that you refrain from sending any nuts / nut products to school with your child.
- Please speak with your child / children regarding the importance of the above measures.

We thank you for your support.

Ms Sharon Sellick and Mrs Maree Hooper, School Nurses

Uniform Voucher Winner

Thank you to all the parents/guardians who have checked / confirmed or changed their child / children's contact and medical details.

The winner of the \$50 uniform voucher is Natalie Campbell.

Congratulations Natalie!

Mrs Maree Hooper, School Nurse

Senior Drama Production 2014

The Resistable Rise of Arturo Ui by Bertolt Brecht

The play will be suitable for Middle College and upwards, so stay tuned for more information and keep your eye out for our posters around the school.

Put **Friday, 16th May and Saturday, 17th May** into your calendars as a date claimer for the show.

We would love to see you at The Events Centre!

Mrs Janine Delaney, Director

PLC Mooloolaba Triathlon

What a DAY!

What a BRILLIANT day. Full of sunshine, a little perspiration and some amazing competitors who took the challenge of 2014 Mooloolaba Triathlon with style and athleticism.

I could not have been prouder to stand around in a crowd of thousands in my fluorescent yellow singlet. We were definitely, "In it!"

After some heckling regarding my 'heritage bike', some friendly ribbing from a stranger commenting, "Where's Delaney? Didn't he get an invite back?", and many trips to the wonderful porta loos, the PLC teams for 2014 rallied together and fought off their nerves before their 8.53am start.

Everyone did an amazing job. We were thrilled to have Dr Dolling cheer the runners home. We have many tales to tell of the day of the victories, the disappointments and elation of competing and completing the course. Everyone deserves a special mention but to keep it short, I will only mention our top team.

Super effort by Team 3 - Aiden Bergs, Jenny Hoffman and Mike Healy. Proving that age is no barrier with our two most experienced / oldest competitors on this team! Legends!

We all came away with either a great sense of accomplishment or a personal best. Some of us are already dreaming of next year and the possibilities.

Thank you to all the wonderful families and individuals involved this year.

Mrs Lu Pollard

Our children are enjoying creating amazing art and construction pieces. We are running low on cardboard boxes of all sizes. If you have any spare, please bring them into us.

As the children also enjoy inventing new play space, we are also asking for donations of any large sheets / blankets that you do not use or anything in the house, garden that we could use to extend these experiences. Donations will be greatly appreciated. Please bring to Room 2.

AGM next Wednesday, 26th March at 6.00 - 7.00pm held in Room 1 at the Early Learning Centre. Please let us know if you are able to attend via email or phone.

The centre has now been given approval to open at 6.30am - 6.00pm. This commenced this week and means we will continue to open in Room 2 until 8.00am, when we split into our two classes.

Any further questions please contact Annwen on 5436 7387 or email.

Music News

Last Sunday, 16th March both the Senior String Ensemble and the Junior String Ensemble students participated in the annual Combined Lutheran Schools Strings Workshop. It was a successful day of music making and ended in a fantastic concert.

Congratulations to the following students for their excellent efforts and commendable representation of our school on the day: Olivia McCluskey, Alyssa O'Sullivan, Ethan Hall, Baugdan Zolotar, Jye Gallagher, Zeb Gallagher, Sarah Jones, Caitlyn Barry, Caitlin Hall, Lily Carmichael, Jack Carmichael, Courtney Page, Rosie Proctor and Dempsey Hall.

Miss Karlee Hutchinson, Strings Teacher

Sports News

SECONDARY SPORT

Volleyball

There is only one more round of volleyball left and we still have a few teams who are in contention of making grand finals in the final week of the school term. Well done to all teams so far. Your improvement and commitment has been outstanding and there has been some great volleyball matches each week. All the best to all teams for the final week next week, and a big thank you to Mr Jurecky and Mr Graves for their work with the boys and girls.

Soccer

The Open Boys soccer team's season has almost finished, with regular season rounds being completed last week. The PLC boys' team has made it through to the final which will be played in the final week of term. Great work to all the boys and Mr Delaney for his coaching of the team.

The Open girls' season is still going and the girls face St Andrews Anglican College next week in a very important match for both teams. A win should see our girls going through to the

grand final on Wednesday, 2nd April. We wish them all the best! Thanks to Mrs Croke for her expert coaching of the team and organisation each week. Go Pacific!

Year 3 - 12 Cross Country – Friday, 4th April

On the last day of this term, all Year 3-12 students will be participating in the Inter House Cross Country Carnival. Students will compete in age groups from 8 years through to Open boys / girls: 8 years - 12 years events will take place from 10.45am - 1.00pm and the 13 years - Open races will go from 1.30pm - 3.00pm. Students will be taken around the course over the next three weeks in PE lessons as to orientate themselves with where they will be running.

District / Regional Representatives

Well done to Jordan McLeod, Peter Flitcroft and Daniel Reidy who were all successful in being selected into the independent district team for rugby. We also had Jorgia Waller and Kirsty Bevis being selected for basketball and Jack Tait and Lawson Becker for soccer. Well done to all district representatives!

Congratulations to Sarah Fleming, Kaylee McKeown, Kieran Bergs and Skye Norris who have made it into the Sunshine Coast regional swimming team to compete at the state titles later in the term. This is a great result for these athletes and is the most number of regional swimmers we have had go through at one time. We wish them all the best for their state titles! Great work!

Mr Mark Hauser, Head of Sport

Netball Update

Well done to all Monday Night netball teams! Five wins from five!

PLC 3 v Nambour Christian College 27 - 24 win. Players Player was Lily Brown.

PLC 2 v Sunshine Coast Grammar School 19 - 4 win.

PLC 1 v Siena Catholic College 14 - 4 win. Players Player was Amy Fleming.

Well done PLC 5 - A win against Siena Catholic College! Players Player today was Brooke Graves - well done!

Great effort PLC 4 - A win against Sunshine Coast Grammar School. Players Player was Aimee Thomas and Emma Goodyear.

MVP this week goes to Georgie Snelling from PLC 2.

Mr Damien Johns, Sports Aide

West Ham United Players ID Camp

During the upcoming holidays, West Ham United Oceania Academy will be running a two day Elite Player ID Camp at Pacific, on Monday, 14th April and Tuesday, 15th April. The camp is designed for players aged 8 to 18, and the

attendees will all receive expert coaching and training drills, under the guidance of coaches from the West Ham United Oceania Academy. Players who excel at the camp will be invited to attend the Oceania Academy National Residential Camp in Canberra later this year, and may ultimately be invited to London to experience the West Ham United Academy.

Special recognition should be given to Sam Fleming, a Year 7 student at Pacific, who took part in the Player ID camp in 2012 and 2013 at Pacific. Sam was invited to attend the National Residential Camp in Canberra in 2013 and, out of 220 players at the National Camp, Sam was selected as one of only 11 players who will be visiting the West Ham United Academy in London, in April 2014.

Congratulations Sam for your outstanding performances on the field, and with your wonderful achievements with the West Ham United Oceania Academy. We hope you have an enjoyable and a rewarding trip to London in April.

The West Ham United Oceania Academy Player ID Camp was run in 2012 and 2013 at Pacific and has been very popular, so please check the flyer at the back of the newsletter for more information, and register early to avoid any disappointment.

Pacific has been a partner school with West Ham United Oceania Academy for several years (one of only two schools on the Coast, and the only club in the SCCSA competition). To show our support, Pacific Soccer teams have the West Ham United badge on our match jerseys.

Mr Ian Barnes, President of Pacific Soccer

Pacific Soccer Update

Round 2 - 15th March

Round 2 last weekend saw our 17 teams playing away games again. Thank you for the many photos which were taken and shared on our Facebook page.

We have included a small sample of the photos, to share some of the action and to show the enjoyment which the players and spectators have each week.

Our five competitive teams (U11+) played the second of their three grading games last weekend. The results of the first three games do not count for the points table, and are used to place each team into a grade. The points competition will start with Round 4 games on 29th March.

Places Available with Pacific Soccer

Although many of our teams are now full, we still have some places available:

- Two players for U9 team (boys born 2005 / 06, or girls born 2004 / 05 / 06).

If these ages suit your child, and they would like to be part of Pacific Soccer this season and enjoy the fun and excitement of playing in a team each week, please let us know and register now.

Thank You to Coaches and Managers

Thank you again to all the coaches and managers of our 17 teams who have generously offered some of their valuable time to assist their team and players this season. We would also like to thank our older

players, and the parents within each team, who also offer to help each week with training, which certainly helps to share some of the burden across the families of each team.

We would also like to take this opportunity to thank Barry Pearse who has been a coach with Pacific Soccer since 2011 when he first took on the role as coach of the U6 Cobras. Barry has been training, guiding and encouraging this team throughout 2011, 2012 and 2013, which has allowed the team to successfully move from the smaller U6-U7 fields to the games on the larger U9 fields, which are controlled by a referee.

In 2014, Barry has had to step down as coach of the U9 Cobras for a well-earned break, but on behalf of our players, our families, and the club, we would like to thank Barry for his long-term commitment to the team, and for the hard work and effort he has always devoted to his team.

We would also like to thank Mr Ronnie Hubbert who has kindly offered to take over the coaching role for the U9 Cobras for the next four weeks. Thank you also to Mrs Debbie Warren and Mrs Farilea Hockam who are sharing the manager's role for the U9 Cobras for 2014.

Free Coaching Clinics

A reminder that SCCSA is holding free coaching clinics to provide additional guidance for our coaches, with extra training exercises and drills, to allow our teams to continue to develop throughout the season. Coaching clinics are specifically designed for either U6-U8 or for U9-U16 age groups, and run from 6.00pm to 8.30pm. Only two evenings now remain, as follows:

- U9 - U16 Tuesday, 25th March at Frank McIvor Park, Currimundi
 - U6 - U8 Thursday, 3rd April at Multisports, Mudjimba
- If these sessions are not already booked out, the places will be limited, so please let us know immediately if you would like to attend, and we can check if a place is still available.

Sponsorship Opportunities

Thank you for the recent enquiries regarding sponsorship of our new match jerseys. Sponsorship is available for several sets of jerseys, at \$550 for smaller teams (U6-U8), and \$750 for U9+ teams.

Pacific Soccer has always appreciated the generous support of our local and family businesses who sponsor the match jerseys which are worn by our teams. The jerseys are

worn every week during our season, and also appear in our team photos and school newsletter, and therefore continue the exposure which any jersey sponsorship will provide. The jerseys are also kept for around five seasons and therefore provide ongoing promotion for any business for many years.

This season, with the setting up of our Facebook page, we also have the opportunity to provide immediate and direct advertising for our followers, which will provide opportunities for our sponsors and our families, and will therefore benefit our club and our players.

Only one business will be advertised on each set, so if you would like to promote your business and sponsor a team, please contact Mrs Lala Burnes immediately.

Round 3 - 22nd March

This weekend our teams will be playing away games, and our competitive teams have their final grading game:

- U6 Vipers, U6 Sea Stars, U7 Swordfish, U8 Eels, U9 Taipans and U14 Marlins at Bli Bli.
- U6 Sea Hawks, U6 Jewelfish and U8 Orcas at Mudjimba.
- U7 Seals, U7 Stingrays and U9 Cobras at Palmwoods.
- U10 Pythons at Range United.
- U11 Snappers and U15 Seahorses at Caloundra.
- U11 Sharks and U12 Hammerheads at Buderim.

Mr Ian Barnes, President

Outside School Hours Care

Its official, the vacation care program has been mailed out! Please make sure that you get your booking form in as soon as possible. The Outside School Hours Care service at Pacific Lutheran College is available to all children in the community, so it is important that you get in quickly. If you would like to enroll your child / children, please come the OSCHC and a staff member will give you an enrolment pack and a copy of our school holiday program. There are a lot of fun activities / excursions planned over the holidays!

Please read the program and information carefully as this information explains the activities your child will be doing each day.

The planning of the vacation care program is an important part of the OSCHC process and we love OSCHC families to be involved. We gather the information from staff and parents and hold a children's group session each fortnight called *Kids Klub* so that the children are provided with an opportunity to share their ideas for the program.

We are still waiting on a few updated enrolment forms. If you have not received one or you have any details that have changed, please come and see a staff member. It is imperative that this information is correct and updated regularly for emergency reasons and general staff knowledge. Changes may include medical details of children, address, emergency contact phone numbers and new siblings.

Days and Hours of Operation

Outside School Hours Care operates every day of the school term (excluding public holidays):

Before School Care	6.30am - 8.30am
After School Care	3.00pm - 6.00pm
Vacation Care	7.00am - 6.00pm
Pupil Free Days	7.00pm - 6.00pm

Closed all public holidays and closed Christmas to New Year - two weeks.

If you would like any more information about the Vacation Care program, please either visit the OSHC room in F block or call Tanya on 5436 7328.

Ms Tanya Sheldrick

PLC Family and Friends Golf Day

The annual event is now a fixture on the PLC Calendar.
Join us for a great day of golf, enjoyable company and
prizes - all for a good cause!

FOUR-BALL AMBROSE

Pelican Waters Golf
Club
40 Mahogany Drive
Pelican Waters

Sunday
25 May 2014

Tee Off - 11:00am

The event is proudly supported by Friends of Pacific. The day last year was a great success - so come along and share in the fun at the world class Greg Norman designed golf course (ranked the best on the Sunshine Coast). Like last year there will be great prizes, raffles and extra fun challenges on selected holes!

SEE YOU THERE
