

Focusing The Freedom

Imagine if we bought a pair of sunglasses where the reflective surface was on the inside. We would quickly become frustrated with only being able to see ourselves. Yet strangely, this is often how we live our lives. Our thoughts are focused on how I might get ahead, how frustrated I am, how bored I am, how excited I am, how tired I am, how disappointed I am and so on. Sometimes our thinking can be so intense around the 'I', we are genuinely blind to what is around us. We miss the opportunity to live our lives richly in connection to others.

God frees us from concerns about ourselves. His unconditional love, grace and promise to be with us, frees us to let go of ourselves, to be fully and richly engaged in the world. He encourages us to use our freedom in service to people in need instead of ourselves. Often when we are feeling low it is because we are focused firmly on ourselves. By switching our glasses from the 'I' and acting on the needs of those around us, we become more fully alive. In times of boredom, conflict or frustration it can be helpful to change the viewpoint to that of the other and consider how you might feel in that person's position and even consider the ways you can help them. Often the anxiety will flow away. When we are centred on God's love for all people we move from dark to light.

Principal's Log

Congratulations to our Year 6-12 Mathematics teams who represented the college very well at the Sunshine Coast Mathematics Tournament last week. Throughout the competition, our teams achieved great success,

placing second or third in each of the three rounds with a number of students achieving 100% in the individual round. We particularly congratulate our Year 8 team who came second overall and our Year 11 and 12 teams who came third

overall. We thank Mrs Jasmin Steven and her team of teachers for preparing these students so well.

It is with great pleasure that we announce our college leaders for 2016. The process for all positions involves written applications, interviews and voting by staff and Year 11 students. We congratulate and pray for them and all Year 11 students as they begin the transition to becoming the senior students of the college.

College Captains: Jack Bange and Emily Brewster.

College Vice-Captains: Jack Gretton, William Minns, Elsa Jonnson and Chelsea Ricotta.

Action Group Captains

Academic: Chloe Jordan.

Pastoral Care: Emmalee Stevenson.

Cultural: Zoe Manfield.

Sport: Andrea Prinsloo and Tyler Turner.

Environmental: Mia Elsing.

Spirituality: Emmerson Dodds.

House Captains

Bula Captains: Ben Golden and Zoe Parfremment.

Bula Vice Captains: Josh Aldous, Hannah Abraham and Rachel Kearney.

Wira Captains: Dylan Colahan and Amy Fleming.

Wira Vice Captains: Jake Hynes and Georgia Snelling.

Mumba Captains: Harry Greenland and Milli Hurd.

Mumba Vice Captains: Harry Burns and Ebony Nykiel.

Our Year 12 students are about to commence their final week of assessment and we wish them all the best for these important tests that will have impact on their final results. We then look forward to celebrating the important milestone of completing Year 12 in their final week as students of the college.

The Intermediate Girls water polo team are to be congratulated on their excellent win at their grand final on Monday night. They showed great spirit and skill, coming back from 6 nil at half time to win 7-6 with seconds to spare. Well done to the girls and to their coach Mrs Wendy Wescombe. The Senior Girls water polo team and their coach Ms Sue Arahill should also be commended for a good season.

The college was recently advised that we had been assessed and approved by the Department of Transport and Main Roads to receive funding from the State Government for a School Crossing Supervisor. After many years of concerns being expressed by our community members, it is pleasing that this safety measure will become available in the near future. An advertisement for the position can be found later in the newsletter and we would encourage you to share this more widely.

We look forward to the Origami production on Saturday and wish the cast and crew all the best for the performance. After many weeks of rehearsals, the students are excited to be able to share a perspective of life in Japan after the bombing of

Hiroshima in the 70th anniversary year. We would encourage you to invite friends and family to the matinee and evening performances.

May we all know the freedom that comes through God's unconditional love for us and use it for the good of others.

Dr Bronwyn Dolling, Principal

From the Head of Staff and Students P-5

World Kindness Day

Often we undervalue the positive impact small acts of kindness can have on another person. Next Friday 13th November is World Kindness Day. A smile, speaking in a friendly voice, helping another or doing something thoughtful or generous for someone can brighten a dull day and invigorate our feelings and emotions. Acting kindly towards another not only makes the receiver feel good, but the person performing the actions will feel fulfilled and satisfied.

Are such behaviours innate or do they need to be learnt? Recent scientific evidence has found that surprisingly, our brains are actually wired to be benevolent. Our social environment is often directed towards an 'every man for himself attitude' and is based upon success at the expense of others.

Like any skill, how to speak and act with kindness towards another person is something that can be taught. Developing social and emotional competencies in students is a major focus of Pacific's education program. Research regularly reaffirms that happy, confident and resilient children perform better academically. As a community, let's focus on treating others with kindness. Looking out for the needs of others is at our core as a Lutheran school, where God encourages us "to love our neighbours as ourselves".

Year 3 Outdoor Education Camp

Last Thursday and Friday, I had the pleasure of joining Year 3 students and staff on their first Outdoor Education Camp at Luther Heights, Coolool. The students and their teachers left the college on Thursday morning and returned excited, if not a little tired, on Friday afternoon. Whilst at Luther Heights they completed a variety of activities including low ropes, mini flying fox, a treasure hunt and other activities aimed at developing cooperation, teamwork and confidence. The student's behaviour was impeccable and they participated

enthusiastically in all activities. Thank you to the Year 3 class teachers, Mrs Tanya Graves, Mr Steven Healy and Mrs Lu Pollard, our LEC Prep – Year 5 coordinator, Ms Anthea Brighton, teaching aide Mrs Pia Foxlow and Outdoor Education aides Madi Bell, Eliza Dreves and Josh Grimley for the way that they cared for and supervised the students.

Junior College Chess

At present, the Pacific Junior College Chess Tournament is being held. Nearly 50 students from Years 3-5 have nominated to participate in this year's event. Games will be played during lunch times. Whilst the tournament is in progress there will be no Chess Club on Tuesdays.

Prep Orientation Night

Thank you to the new and returning parents who attended the Prep Orientation night on Wednesday. Starting school is an exciting and sometimes challenging time for both parents and students. Hopefully the information about Pacific's Prep program will assist with the transition into school life.

Mr David Druery, Head of Staff and Students P-5

.....

From the Director of Students

The Year 6 students have returned from a very successful tour of Canberra. At last week's Middle College assembly some of the students shared their insights on a few of the activities. This is what they said...

Australian War Memorial

On Thursday 15th October, the Year 6 students went to the Australian War Memorial. We saw the walls of remembrance and it was amazing to see the amount of poppies that had been left. Then we were split into groups and were given a guided tour through the museum. In the museum there were many amazing

things from all the wars Australia has fought in - planes, army uniforms and much more. We also went into the tomb of the Unknown Soldier and it was really beautiful. After the tour we each got a poppy to place in the wall next to the soldiers name that we had researched the week before our trip. After that we went into the discovery area, which had hands on activities. We got to go through a trench, try on some real

uniforms and pretend to fly a helicopter. We all loved the war memorial and we all really want to go back. – Ella Ousley

Questacon

On the very first afternoon in Canberra, we went to Questacon, which is possibly one of the most weird and wacky science places ever. It had four floors. The first floor was very interactive and had a vertical slide, four-way hand

hockey, hockey with a robot, a spiral walk through tunnel and a scarf tunnel. The second floor was an earthy style area with an indoor simulated lightning bolt, an earthquake zone (where you built a building and saw how long it could stand in an earthquake) and a display of the world including the crust, mantles and the inner and outer core. The other two floors were really fun because they were about illusions and light work. After we did that, we went to the most amazing shop ever, the gift shop and bought many things including one very popular item, freeze dried ice cream. – Sara Allen

Australian Institute of Sport (AIS)

In my opinion, the best part of the trip was our visit to the AIS. Yes, the gaming enthusiasts may disagree with me but the majority of Year 6 students agree with me. Overall, it was an absolutely outstanding experience. Over the few hours that we were there, we

played three different sports and toured the complex. We played Basketball, European Handball and Dodgeball. I think that these sports have really been an eye opener for all of us. In my opinion, Dodgeball was the most fun. Overall I think that all the staff at the complex were very friendly and we all had a blast there. – Campbell Gigney

Food for Thought

Grey Matters - Too Much Screen Time Damages The Brain

In short, excessive screen time can impair brain structure and function. Much of the damage occurs in the brain's frontal lobe, which undergoes massive changes from puberty until the mid-twenties. Frontal lobe development largely determines success in every area of life, from a person's sense of wellbeing to their academic or career success and even relationship skills. Use this research to strengthen your own parental position on screen management and to convince others to do the same.

Ms Annie Williams, College Counsellor

Friends of Pacific

Connecting College and Community

Woolworths Earn and Learn Update

We are pleased to advise that Pacific will be receiving a complete 'Jolly Phonics Classroom Kit and book/s' as a result of the Woolworths Earn and Learn program. These valuable resources will be housed in the library and primarily loaned out to the Foundation College. The resources will be integrated into learning next year.

Pacific appreciates the support of our community to the Earn and Learn program, which allows for these extra resources.

Before and After School Traffic and Student Safety

Due to safety concerns for our students crossing Woodlands Boulevard and a rise in traffic to the area, the Department of Transport and Main Roads has advised Pacific will receive state funding for a School Crossing Supervisor.

A number of factors are taken into account when assessing sites for supervised crossings and we are grateful that Pacific has been identified as a school who would benefit from this scheme.

Christmas Carols

Friends of Pacific will support the Foundation and Junior College Christmas Carols on Friday 27th November, with a sausage sizzle and drinks stall. This year, there will also be 'Lucky Dip Christmas Bags' for sale, which will contain Christmas trinkets and treats.

Last Meeting for 2015

Please come and join us for the Friends of Pacific AGM and final general meeting for this year on Tuesday 17th November at 7.00pm. It's an opportune time to hear a summary of 2015 and gain insight into what lies ahead for 2016. We celebrate the achievements of 2015 and thank the current Executive Committee for their commitment throughout the year.

Mrs Tracey Hindmarsh, FoP Chairperson

From the College Tuckshop

This Week's Specials

Individual pizzas, made in house only \$3 each. Your choice of BBQ Meatlovers, Hawaiian or Vegetarian with sundried tomatos, fetta cheese and baby spinach!

Homebaking Is Growing In Popularity

Students and staff are loving the variety of freshly baked treats, so if you are able to contribute, your help will be greatly appreciated by all. Donations of dry ingredients such as self raising flour, brown sugar, caster sugar or chocolate chips would help ease the cost for the families that are baking for us and is another way to contribute to the

tuckshop.

For more information please contact Carrie on 5436 7327 or email cldickson@pacilutheran.qld.edu.au, or pop in to the tuckshop any time, we would love to see you!

Ms Carrie Dickson, Tuckshop Convenor

Library News

Library Monitors

Applications for the position of library monitor are now open. Students who are currently in Years 5 and 6 are invited to apply. This is a leadership and service position, which requires a commitment to work a 20-minute timeslot in the library each week. Students will learn to use the computer to lend and return books, shelve books, set up displays and help out at library functions. An application form is available from the library. The closing date for applications is Friday 13th November.

MakerSpace: Orphaned Wildlife Pouches

Last week in MakerSpace, we sewed pouches for the RSPCA to keep orphaned native animals safe and warm. The RSPCA sent out a sewing guide, with measurements for pouches for both possums and joeys. Using donated material, students measured and cut out an outer fleece pouch and then a cotton or flannelette inner pouch. The pouches were then sewn together by Ms Peters and Ellie Dixon, one of our library monitors. All together we created 17 pouches in half an hour.

Ms Nell Keen, Teacher Librarian

Year 3 Camp

“The name of the game is Concentration,”

“No repeats and no hesitation,”

“The topic is Year 3 Camp...”

Awesome, surprising, amazing, challenging, brilliant, spectacular, delicious, tasty, long walks, orientation, running, showers, lights out, cool activities, great rooms, clean bunks, bugs, flying fox, swing bridge, Talent Show, Wall E, dining room, friends, teachers, fun staff, KFC – Kindness, Fun and Cooperation.

Camp was a wonderfully successful two days spent at the well-established Luther Heights Youth Camp at Coolum. There were 61 students, three classroom teachers, one lovely teacher aide, Mr David Druery, Ms Anthea Brighton, three outdoor education specialist and ex-students, Maddi, Josh and Eliza as well as the amazing Luther Heights staff, who ran the activities, made our meals and provided us with excellent accommodation.

Below are some excerpts from the student’s letters to the Luther Heights staff:

“Thank you for making our first camp a BALL! We enjoyed it so much that we are hoping Dr Dolling will let us come back every year until Year 12. Thank you to the people who cooked us the delicious and scrumptious food and to the cleaners because everything was so clean.” - Paige Carter

“Your camp is the BEST camp EVER! My favourite part was the flying fox. The food was AMAZING! I loved every meal but the dessert was my favourite.” - Kai Sorbello

“Thank you for camp. We had a nice time with you guys. Thank you for teaching us the KFC code of conduct. You taught us a lot. I missed your camp the second my left foot stepped onto the bus to go home.” - Ayanna Nath

Thank you to all the parents who entrusted us with your precious children. Thank you to Luther Heights and thank you to Dr Peter McMahon and his team for their seamless organisation.

Year 3 Teachers

Mathematics

After School Mathematics Tutorials

To support students academically, the college will continue Mathematics tutorials for students in Years 7-12. These tutorials are on Monday afternoons and are in rooms L13/L14 from 3.20pm to 4.20pm. Students are welcome to come along for a quiet place to complete class work, homework or seek assistance. The expectation is that they remain within the room until 4.20pm, unless picked up earlier by a parent.

Sunshine Coast Mathematics Tournament

Last week, approximately 750 students from 78 Sunshine Coast schools ventured to Lake Kawana Community Centre to participate in the annual Mathematics Tournament. Pacific entered teams of five students, from Years 6-12, who participated in three rounds: individual, team problem solving and team relay. Congratulations to all students for their participation. A number of students received marks of 100% in their individual rounds and we commend them on their achievement. The following teams also won overall places for the tournament:

- Year 8 – 2nd
- Year 11 – 3rd
- Year 12 – 3rd

Thank you to Mr Andrew Block and Mrs Amanda Empson who assisted myself with training the teams and to the staff who assisted on the day. Thank you also to Mrs McLaughlin-Phillips, Mrs Watman, Mrs Jones and student leader Susan Kerr for their assistance with supervising a team at the Tournament.

Mrs Jasmin Steven, Head of Mathematics

Grading's awarded are defined as follows:

- A+ High Distinction
- A Honours
- B+ Credit
- B Credit
- C+ Satisfactory Pass
- C Satisfactory Pass
- D Not Satisfactory

Congratulations to all the students listed above. You have accomplished a brilliant standard of excellence in your studies. May you continue and strive to progress to your next level of attainment in the next period of learning.

Mr Adrian King, Head of Instrumental Music

.....

Junior Sport

Prep – Year 2 Swimming

This week, information and permission forms have been sent out to all parents of students in Prep – Year 2. Swimming lessons will take place in Weeks 7 and 8 this term at Kawana Aquatics Centre, who has provided qualified swimming instructors. Students will be bussed down and back by the college for their lesson.

Parents are asked to complete and return the permission form to their child's class teacher by Wednesday 11th November.

Year 4-6 Sports Awards

The Year 4-6 end of year sport award presentations will be held on Tuesday 17th November from 12.30pm to 1.30pm. The presentations will take place in the college gym and this year, Trevor Gillmeister is attending as our special guest

presenter. Trevor was a premiership-winning player for the Brisbane Broncos from 1992 to 1993 and also captained the victorious Queensland State of Origin team to their famous 3-0 series win in 1995. Parents are also welcome to attend the presentations.

Mr Darren Hooper, Head of Junior Sport

Secondary Sport

Water Polo Grand Finals

On Monday, our Intermediate Girls water polo team competed in the grand final of the Sunshine Coast Water Polo Championships at the Kawana Pool. The girls, coached by Mrs Wendy

Wescombe and Mr Andrew Lowe, faced a very strong team from St Andrew's Anglican College (SAAC) and after the first quarter it looked like SAAC would swim away with an easy victory. However, the rest of the game was all Pacific's, as the girls clawed their way back to be only one goal behind with one minute to go. After a quick goal by Charlotte Ker to level scores, Pacific had a chance to go ahead, when a shot at goal narrowly missed. However, after a sideline pass in with 10 seconds left, Karla Lowe managed to tip the ball past the SAAC goalkeeper to win the game on the buzzer in one of the greatest come-from-behind wins I've seen in a long time!

Well done to all the girls and coaches! It was a very well deserved premiership title.

Student Success

Congratulations to Karla Lowe who has been selected in the Open Girls water polo team for the Sunshine Coast. The girls will compete at the State Titles in 2016. Well done Karla (who is the youngest player selected in the team) on a great achievement.

3-on-3 Basketball Competition (Year 7-12)

Once again, we are holding a 3-on-3 Basketball Competition for Year 7-12 students. All students are invited to nominate teams of 3 or 4 with one 'sub'. All abilities are catered for with three divisions. Games are eight minutes long and all teams will play at least six games on the night.

Date: Friday 6th November (Week 5)

Time: 4.00pm – 6.00pm at the gym

Dress: Design your own team uniform

Cost: Entry is free!

Team nominations close on Wednesday 4th November at 9.00am. All players who come in a creative team uniform will receive a small prize and there will be trophies/medallions for the winners of each division.

3-on-3 Basketball Competition (Year 3-6)

We will also be holding a 3-on-3 Basketball Competition for Year 3-6 students.

Date: Friday 13th November (Week 6)

Time: 4.00pm – 6.00pm at the gym

Dress: Design your own team uniform

Cost: Entry is free!

Team nominations close on Wednesday 11th November at 9.00am. All players who come in a creative team uniform will receive a small prize and there will be trophies/medallions for the winners of each division.

Athlete of the Year Nominations

Students are invited to complete a Male/Female Athlete of the Year nomination form to help us determine the most outstanding athlete of 2015. The winner will be announced at the end of year presentations.

All students who have represented the school in a sport during 2015 are able to complete a nomination form, mentioning their achievements. Please note that only school sport pathways are acceptable (not outside of school club/representatives involvement).

Nominations close at the end of Week 5. All students will have the opportunity to complete a nomination. Forms will be distributed in PCGs and on Schoology over the next few weeks.

Year 7-12 Sports Awards

On Tuesday 17th November, all Year 7-12 students will be involved in the Sports Awards. The ceremony will take place in the college gym from 1.50pm to 3.15pm. All students are required to attend, to celebrate Pacific's sporting achievements and recognise those who have excelled throughout the year. We have a high-profile sportsman coming along to present the athletes with their awards and to give a brief talk to everyone.

Returning Sport Uniforms

As the year is winding down and most school sport seasons are finished, it is important that all students return their playing uniforms. Rather than us chasing up individual students, it would be greatly appreciated if everyone had a good look through their wardrobes and handed in any Pacific uniforms that have not been returned yet.

Please pass these on to Mrs Campbell at the Sports Aide office opposite the school tuckshop. Students who do not return uniforms will have the cost of their uniform billed in their school fees at the end of the year.

Mr Mark Hauser, Head of Sport

.....

Uniform Shop

This year, the uniform shop will close on Thursday 26th November. Please come in over the next few weeks to purchase your uniforms for next year and go into the draw to win a \$200 voucher (on purchases over \$50).

If you can assist in the uniform shop from the 18th – 22nd January next year, please contact Donna on 5436 7349. There are two timeslots, daily, to be filled: from 8.00am – 12.00pm or 12.00pm – 4.00pm.

Blazers for the Year 9 Rite Journey have arrived. We have plenty of new and second hand blazers, so if you want to avoid the rush, please give me a call to see if we have your size. Boys will also require trousers and a belt.

The Uniform Shop is open every:

Wednesday	8.00am	to	9.30am
Thursday	8.00am	to	9.30am
Friday	8.00am	to	9.30am

Orders can be placed online via www.flexischools.com.au and will be delivered to your child the following day.

Mrs Donna Hollindale, Uniform Shop Coordinator

.....

Casual Position Vacant

A casual position exists for a School Crossing Supervisor at Pacific Lutheran College and at other schools in the area.

The School Crossing Supervisor may be required to work five days per week in all weather conditions. The hours of work for School Crossing Supervisors are normally 1.5 hours a day and usually comprise of one hour in the morning and ½ hour in the afternoon.

The successful applicant is dependent on:

- The favourable outcome of a health assessment carried out by a Government Medical Officer or a duly qualified Medical Practitioner according to the guidelines in the “Notes for Medical Practitioner” on the School Crossing Supervisor Scheme – Health Assessment Form; and
- A Positive Notice Blue Card (This means you have to be eligible to receive a blue card to apply for the position but may not yet have one).

Applicants are required to advise in writing of any charges that have been laid against them or any offence of which they have been convicted.

Applications addressing the selection criteria as listed in the position description must be submitted in writing to the school (see the college website for further details http://www.pacificlutheran.qld.edu.au/index.php/about_plc/vacancies/school_crossing_supervisors/).

If you are successful in your application for this position, you can only commence employment with Transport and Main Roads if you hold a current Blue Card or are renewing your Blue Card and have submitted either a Blue Card Application form or Authorisation to Confirm Current Blue Card form to the Commission for Children and Young People and Child Guardian.

Address application to:

The Principal
Pacific Lutheran College
PO Box 992
Caloundra QLD 4551

Applications close at 3.00pm on 20th November 2015. For further information please phone the Road Safety on 07 54521827.
