

## A Change of Pace

Like automobiles, we need a change of pace. Always running on the same revs can wear tired grooves where the fullness of life is not experienced. School holidays provide a good change of pace for most families. It is important for young people to have a change of pace through this time and have a healthy disconnect and recharge the batteries.

It is not just at holiday time that we need to build in times for a change of pace. Engagement in different activities including times for stillness, relaxation, fun and rest are important for us on a daily basis. God invites all those who are weary to come to Him and rest. At the end of term, we say thank you for all God has given us and accept His invitation to place our shortcomings and failures at the foot of the cross, so we can truly rest.

## Principal's Log

A number of Year 6 students enjoyed their experience last week at Camp Buranga where they were able to join with other students from independent schools on the Sunshine Coast in a range of enrichment and extension activities. The opportunity to join with other like-minded students and expand their horizons was greatly valued. We thank Ms Wendy Groves for her leadership of the Science activity and to Mrs Rae Hall for her organisation and support.

Our Year 10 students are enjoying their outdoor education experience and we look forward to their return on Friday. We thank Dr Peter McMahon, Mr David Simpfendorfer, Mr Duncan McNee, Mr Damien Evans, Miss Elley Johnston, Miss Karen Schultz and Mrs Rowena Marshall for their leadership and support of the program. A particular thank you to Dr McMahon for his organisation of the whole experience which required considerable additional time to be spent to provide additional flexibility to enable the rugby boys to play in their final last week.

We wish our Japanese students all the best as they travel to Japan to visit our sister school and experience a range of other cultural activities. Thank you to Mrs Michiko Hauser for the considerable time spent in organising this important learning opportunity and to her and staff, Mr Mark Hauser and Miss Natsuko for their leadership and support of students while they are away.

We wish Carl Jonson all the best as he travels to South Africa to participate in the international program of the National Youth Science Forum. This is an outstanding opportunity and achievement for Carl. We also wish Peter Flitcroft all the best

as he competes as part of the school boys U18 Queensland rugby team.

At the end of term, we will be farewelling library technician Mrs Margaret Dyson who has had to resign for family reasons. Mrs Dyson has provided a wonderful warm and welcoming face to the library as she has completed her role in a professional manner. Her compassion and care will be missed. We will also be farewelling Mrs Sarah Hayes who has very capably filled the Japanese teaching contract in the Middle and Senior College while Ms Pietrala was on maternity leave. Mrs Julie Peters who has done a great job in supporting our hospitality students' growth in Mrs Margaret Mengel's absence over the first semester will also be leaving us at the end of term. We thank Mrs Jacqui Layfield who has very capably filled the role of Head of Mumba House while Mrs Melissa Evans has been on maternity leave. Mrs Laura Bonner will be continuing in a part time capacity in the drama and dance area. We look forward to welcoming back Mrs Margaret Mengel, Mrs Melissa Evans and Ms Pietrala at the start of next term. Mrs Virginia Schlotterbach will be taking on a part time Japanese teaching role across the Middle and Senior College for next term. We thank all staff who are leaving us and wish them all the best for the next phase of their journey.

Term 2 has been a busy, productive time of growth for the students, staff and the college community. This is only possible because of the commitment and goodwill of staff, students and parents to always strive to do and be their best for each other and the wider community. With our theme of Ever Changing, Never Changing we have had six months of enhancing and deepening core values and practices of the college whilst taking up the challenge to develop ways of learning and working best suited to equip young people to thrive in the 21st century. I pray that all members of our community have the opportunity to have a change of pace where they can be rejuvenated. Thank you and I look forward to seeing you all return refreshed at the start of next term.

*Dr Bronwyn Dolling, Principal*

## Daily Bread

### It's a Party!

It is the end of term and we are ready for the holidays . . . and everyone cheers. We human beings love to celebrate great occasions. How does God feel about celebrations?

In the beginning of the stories of Jesus, we are told that He went to a wedding in the town of Cana where He changed the

water into wine. This was the first of his great miracles that were sign posts for people to look at and to see that there was something amazing going on. Jesus was not just any ordinary prophet. He was God amongst us in human skin and bones.

But what is so especially wonderful is that this first sign happened at a wedding with good wine for a good celebration. I see this as God's way of saying that it is good to celebrate great occasions together.

Next term, we will have the great celebration of the 2013 Ocean Festival. This is a great occasion where we enjoy being together whilst helping to raise funds for our community. May the Lord of celebrations bless all the preparations for the Ocean Festival.

The vision of heaven in the New Testament is of a party. It is called the marriage feast which has no end. So, in a way, there is a link between the miracle at Cana, where Jesus turned the water into wine, and the eternal joy of heaven. In the middle of those two, we travel through daily life. Each day we expect that the Lord will be with us and He will be inviting us to celebrate the good things in life together.

May God keep you and your loved ones safe as you share holiday time together.

*Pastor Paul Smith*

## Food for Thought

### School Holiday Activity Ideas

How does one entertain children on a restricted budget?

Where to start?

The holidays do not need to be scheduled from dawn to dusk with every minute accounted for. Ask kids for their input on what they might like to do. You may be surprised with the ideas they come up. Good idea to print the ideas out and stick the list on the fridge. Then when you hear the dreaded whiney-voiced "I'm bored", you can point them to the list and pick something off it.

## Fantastic Mr Fox

Year 3 has thoroughly enjoyed reading and analysing the famous Roald Dahl novel, "Fantastic Mr Fox". We have constructed character profiles, compared and contrasted the movie version to the book and completed recounts of an event from various points of view.

Last week the children presented their Speaking and Listening tasks to their peers and we were all entertained immeasurably by the characterisations that the speakers adopted.

This Thursday we will culminate our unit of study with a Fantastic Feast and a Fox Hunt, so BEWARE!

Thank you to all the parents who committed time to making their children's wonderful costumes and to supporting their script learning in preparation.

Year 3 Teachers

Olivia McCluskey, Year 8A

## Medieval Day

On Thursday, 6<sup>th</sup> June the Year 8s took a journey back to Medieval Times. We all (including Miss Morton, Mrs Bonner and Mrs Hall) got dressed up. There were some princesses, court jesters, knights and peasants amongst us. After the walk to the drama room, we arrived in the Middle Ages. There we met Sir Matt and Lady Judith, who had come to speak to us. They bought weapons that were used in the Middle Ages and taught us how they were used. We also learnt a lot about knights of that time, which was really fascinating.

After a short morning tea break, we got the chance to attack the castle! Out on the ovals we used a bow and arrow to shoot the queen, king and priests inside the castle. If successful, the drawbridge would open or the flag would fall down. (I am pretty sure that it was rigged because some people hit a royal and nothing happened!) We all enjoyed this, but then it was time for our medieval lunch. Everyone had contributed to the lunch, which meant that there was plenty of home cooked and delicious food. After lunch we returned to the present day time and concluded our Medieval Day, which was a wonderful experience.

## Speech and Drama News

Senior and Middle College Speech and Drama students at Pacific have been on quite a few "outings" lately to plays and drama workshops on the Coast and in Brisbane.

First up was USC theatre's first theatrical undertaking, *The Romeo and Juliet Project*. This was a condensed version of Shakespeare's famous tragedy performed by USC Drama major students.

In contrast to this was *A Tender Thing*, an adaptation of Romeo and Juliet where the two main characters were an elderly married couple. This play was part of the World Theatre Festival at Brisbane Powerhouse.

We started the day at 'Voices on the Coast' with a poetry workshop by Australian performance poet, Marco Gliori. The rest of the day was all about Shakespeare as we experienced the amazing Shake and Stir Theatre Company's performances of *Statespeare* and *Bard to the Bone*. Their Shakespeare Masterclass workshop at the end of the day was a great chance to perform with students from other high schools in the area.

That same night we headed off to the Lake Kawana Community Centre to watch a sold-out performance of George Orwell's *Animal Farm* by Shake and Stir Theatre Company.

Coming up in Term 3 we are looking forward to seeing live productions of Nick Dear's *Frankenstein* and Shake and Stir's *Tequila Mockingbird*.

## Music News

Parental and friendly support was in great evidence when Miss Karlee Hutchinson and Mrs Stephanie Moran promoted a string and flute concert on the afternoon of Wednesday, 5<sup>th</sup> June in the Senior School music room.

Students performed with musicianship, confidence and flair as they played their items before an appreciative audience.

Participants included Haley Barrett, Imogen Joppich, Isabelle Garland, Tahlia Price, Zebadiah and Jye Gallagher, Caitlin Hall, Ethan Hall, Baugdan Zolotar and Olivia McCluskey. Also performing was a newly formed Year 5 flute quartet, playing *Aura Lee* and *Frere Jacques*. Enthusiastic members of this ensemble were Victoria Burns, Shoshanna Baird, Louella Hindmarsh and Phoebe Swan.

Congratulations everyone on excellent performances and a pleasant afternoon's entertainment.

## Rugby Update

The 2013 Under 15 Sunshine Coast School Boys team was announced last week following a series of trial games at Noosa between the four local regions, Northern, Central, Southern and Independent. Once again the level of rugby talent on show made the selectors job difficult and a quality squad was announced to compete at the Queensland Under 15 School Boy Championships at Sunnybank at the end of August.

The strong competition between the schools in the local Under 15 schools competition showed with a wide spread of 11 schools across the whole squad. From Pacific, William Lockley and Dan Reidy were selected in the team.

The team will warm up with trials against Nudgee U15As on Wednesday, 10<sup>th</sup> July; a Junior Stingray Invitation XV on Saturday, 13<sup>th</sup> July; and a further trial, likely to be Wide Bay, on a date to be announced.

Good luck boys!

*Mr Parrish MacLeod*

## Pacific Soccer Update

Round 11 - 15<sup>th</sup> June

Despite the wet weather last week, the skies cleared for the weekend and allowed a full day of home games at Pacific. Thanks to Stacey Kilburn, we can share a sample of some of the action.

In the competitive age groups, the U11 Tigerheads played well, but were eventually beaten 0-3 by Buderim Thunder. U12 Barracudas had a convincing 3-0 win against Caloundra Black.

U13 Marlins had a very close match against Chancellor Crusaders, with the score locked at nil all at half time. The close competition continued in the second half, and was only broken when the Marlins managed to score a late goal, to take the game 1-0.

The U13 Seahorses played away at Immanuel last weekend, so our spectators missed their game. The Seahorses were also missing several players and only had 10 players in the first half, and lost another player at half time. However, despite this set back, they played courageously, even when they were two goals down. They fought back and, in an exciting match which saw the lead change many times, the final score of 6-6 was an outstanding effort for the Seahorses.

The final game at Pacific was played between our U16/17 Jets and Nambour Sandcats. The Jets started slowly and were down 0-2 at half time. The second half provided much closer competition and the Jets scored early in the half, and scored again to draw level with the Nambour side. The last 20 minutes provided a great demonstration of the benefit of the Jets' fitness training and they finished strongly, scoring three late goals, to take the match 5-2.

## Baking for Canteen

Our talented bakers again were displaying their creativity last weekend. Thank you to Shannon Russell, Jodi Tippett and Kari Lusk for your delicacies which were so popular with our patrons.

## Catch Up Games Round 12 - 22<sup>nd</sup> June

The wet weather earlier in the season has required a few teams to play catch up games at Mudjimba Multi Sports:

- U11 Tigerheads vs Sienna Lions on Thursday, 11<sup>th</sup> July at 6.00pm.
- U13 Marlins vs Immanuel United on Thursday, 11<sup>th</sup> July at 7.05pm.
- U12 Barracudas vs Caloundra Black on Tuesday, 16<sup>th</sup> July at 7.05pm.
- U16/17 Jets vs Nambour Mountain Lions on Wednesday, 17<sup>th</sup> July at 7.00pm.

As mentioned last week, the recent rain also resulted in the cancellation of the second half of the State Titles at Stockland Park on 10<sup>th</sup> June. The remaining games from the State Titles will be played later in the year, and we will provide an update when the dates have been confirmed.

## Round 12 - 22<sup>nd</sup> June

The last games before the school holidays will be played this weekend, and our spectators can enjoy another series of home games at Pacific. Only 14 Pacific Soccer teams will be playing at home because the U12 Barracudas have a bye, and U13 Marlins will be playing away at Palmwoods.

The games commence at 8.30am, and U16/17 Pacific Jets will play the last game against the Nambour Mountain Lions, kicking off at 2.35pm. Each manager will have game times, or visit [www.SCCSA.org.au](http://www.SCCSA.org.au) or call us for more info.

## Canteen Volunteers

Please remember that the Pacific Soccer canteen cannot operate without the help from our families. At each home game, teams are nominated for a roster and are asked to operate the canteen for a few hours during the day.

When your team manager asks for volunteers for canteen roster, please remember that the few hours which are spent on a canteen shift is essential to allow the canteen to operate, and to provide the jerseys and equipment which our players use throughout the season.

After a shift, each volunteer will be entered in a prize draw (two prizes valued at \$100), which will be drawn at the end of the season. The more times you help out on the canteen, the more chances you will have to win but, more importantly, the operation of the canteen will become more efficient, and less of a burden on just a few supporters.

## Substitute Canteen Convenors for 15<sup>th</sup> and 22<sup>nd</sup> June

Thank you Kath Barry and Louise Currey (U8 Taipans) who have offered to take over the canteen administration for home games this weekend. Thank you also to Sharon Turner for your big effort last weekend.

We would like to extend our sincere thanks to Sharon, Kath and Louise for generously offering their time to help with the canteen admin while Mark is away.

## Baking for Remaining Home Games

The canteen would appreciate the assistance of anyone who would be able to do some baking for the home games this weekend, and perhaps prepare some muffins, biscuits, small cakes or treats.

Baking is especially popular with our spectators and players who enjoy the home-made delicacies, not only because of their freshness, but more importantly because of the extra care which has gone into their making. Please contact us if you are able to assist, or if you have any queries.

After this weekend, our final home games will be held on August 10, August 17 and August 25.

## Recycle Old Mobiles and Help a Worthy Cause

The program to collect and recycle old mobile phones has been extended, and the collection box will remain at the main admin during July-August. Please support this program to raise money for research into childhood cancer, and help our environment.

Remember to remove the SIM card and delete personal information.

On the second column down the bottom, there is a tab "Academic Reports".

Click on the paper clip to the right of the relevant reporting period and the full report card will show.

It is a good idea to save the report on your hard drive to save having to log in to our website each time, or for access when you leave Pacific.

**When finished, make sure you logout** (on the top right of screen).
